

London Trip Saturday 2nd December B&NES Social Club

A Great Time Was Had By All

Members of the B&NES Sports & Social Club, family & friends had a great day in the capital! Whilst some took in the dazzle of the Oxford Street Christmas lights, others visited museums & galleries - Victoria & Albert, the Globe and the National Portrait Gallery. Winter Wonderland was a must see for some and plenty of shopping took place at Covent Garden.

We thought you may like to hear a few of our travelers' tales.....

"The day was brilliantly organised and completely stress free. We wanted to go to Harrod's to start and the coach driver was happy to stop 'n' drop....."

"Pick up was also really smooth. The coach was comfy and the driver really cheerful. He was most accommodating when we asked to be dropped at Saltford, this saved us the walk from Wellsway School. Will definitely look at this again next year."

Vicky & Chas

"We popped along to the British Museum walking along Oxford Street and peeping in at Selfridges window display. After listening to the Salvation Army Band playing carols we warmed up in the Great Court Restaurant with Christmas lunch and a glass of Prosecco"

Lindsey & John

"Everything went very well - we had a super day, spending most of our time in the

V&A which is always a worthwhile visit. Finishing off with a meal we strolled back to pick up the coach up at Marble Arch - a very enjoyable day out"

Cherry & David
