Membership Summary – October 2025

As of October 2025, the Bath and North East Somerset Social Club has:

403 paying members 237 retired members

Compared to previous years, the number of paying members has slightly decreased from 419 in 2024 to 403, while the number of retired members has increased slightly.

Key points:

The overall trend shows a gradual shift, with a small reduction in active (paying) members and a consistent increase in retired members.

New for 2025 – We now accept membership from council volunteers

Subscription Fees

Last year we agreed to increase the subscription fees to £2.00 per month, as a reminder

Increasing the subscription fee provided us with more opportunities to maintain and enhance discounts for members.

Sustaining discounts:
the club can continue
offering historic
discounts on events,
activities, and services,
ensuring that members
still receive great value
for their membership.

Expanding discounts:
the extra revenue allows
the club to introduce
new discounts or
expand existing ones,
making a wider range of
activities more
affordable for
members.

Secure foundation:
offering more, provides
us with more
opportunity to become
an attractive
proposition to new
members and
potentially re subscribe
members who may
have previously left us.
